

WALKING THE PATH

UPON MAKING YOUR WAY TO THE END OF THE PATH, YOU WILL NOTICE THE FINAL FRAME IS MADE SOLID BY A SEMI-REFLECTIVE MATERIAL WITH SIX MASKS ETCHED INTO IT.

AS YOU GET CLOSER, YOU WILL NOTICE YOUR OWN FACE IS ALIGNED INTO A MASK AND REFLECTED BACK TOWARDS YOU.

A DEDICATIVE PLAQUE REVEALS THAT AS YOU WERE WALKING THE PATH, YOU PASSED THROUGH 5 FRAMES AND ARE NOW STANDING AT THE SIXTH. EACH FRAME IS COVERED WITH 1,000 MOSAIC TILES, TOTTALLING ONE TILE FOR EVERY 1,000 LIVES LOST TO THE CORONAVIRUS FROM 2019 TO 2022.

WALKING BACK TO THE ENTRANCE, THE BEAUTIFUL MOSAIC ART HAS TAKEN ON A DEEPER MEANING.
